

Sanode Healthcare

Quality Healthcare, Rooted in Science

1. Cover Page

- Trusted Health, Crafted with Care.
- Sanode Healthcare combines scientific expertise with ethical practices to bring high-quality nutraceuticals to global markets.

Visual suggestion: Sleek clean design showing capsules, lab equipment, and a subtle world map background.

2. About Sanode Healthcare

Sanode Healthcare is a globally-minded Indian nutraceutical and pharmaceutical company committed to delivering **quality, science-rooted healthcare solutions**. Our mission is to bridge wellness gaps worldwide by offering **ethical, reliable, and innovative products** that meet international standards.

With strong collaborative networks and a dedicated team of experts, we ensure our products reach **export markets safely and efficiently**, creating value for both partners and consumers.

3. Vision and Mission

Vision

To be a trusted partner for global health and wellness, delivering products that combine scientific rigor with ethical responsibility.

Mission

- Provide high-quality nutraceuticals and pharmaceuticals compliant with **GMP, ISO, FSSAI, and WHO-GMP standards**.
- Enable **customized contract manufacturing, private labelling, and export solutions** for international partners.
- Promote wellness through **science-backed formulations** and innovative packaging solutions.

4. Our Capabilities

Even while currently manufacturing via trusted **third-party facilities**, Sanode Healthcare ensures:

- **Stringent quality controls** at every production stage
- **Audit-compliant manufacturing partners** adhering to global standards
- **End-to-end export-ready solutions** from formulation to final packaging
- **Collaborative R&D** with experienced professionals in nutraceutical and pharmaceutical sciences

We combine **scientific excellence, ethical practices, and human-focused solutions** to provide products that inspire confidence worldwide.

5. Services

Sanode Healthcare offers a full spectrum of services for international partners:

1. **Contract Manufacturing** – Flexible production capacities tailored to your brand needs.
2. **Private Labelling** – End-to-end branding and labelling support for foreign markets.
3. **Innovative Packaging & Design** – Attractive, compliant packaging solutions optimized for shelf appeal.
4. **Export Solutions** – Handling regulatory documentation, shipping logistics, and market compliance

6. Product Portfolio

We focus more on **fast-moving, high in demand nutraceuticals** suitable for global markets:

Vitamins and Minerals

Note: Products can be **customized** for your target market and regulatory requirements.

7. Quality and Compliance

At Sanode Healthcare, **quality is non-negotiable**. All products adhere to:

- **GMP** certified manufacturing
- **ISO 9001** quality standards
- **FSSAI** regulations
- **WHO-GMP** compliance

Our products undergo **rigorous testing at every stage** — raw material sourcing, production, and final packaging — to ensure **safety, stability, and efficacy**.

8. Why Choose Sanode Healthcare?

- **Trusted Expertise:** Experienced teams from pharmaceutical and nutraceutical sectors.
- **Global Compliance:** Products designed for international markets with all required certifications.
- **End-to-End Solutions:** From manufacturing to export-ready packaging, every step managed for ease.
- **Ethical Partnership:** We value transparency, integrity, and long-term collaboration.
- **Flexibility:** Tailored formulations, private labelling, and scalable production options.

9. Global Reach

Sanode Healthcare is **geared for international partnerships**, focusing on **Middle East, Africa, and South-East Asia**.

Our export-ready infrastructure and rigorous quality systems are designed to ensure **smooth documentation, reliable supply chains, and timely delivery** for global partners.

We aim to build trusted collaborations worldwide, bringing India's science-rooted wellness solutions to every market.
