## **2. About Us**

Sanode Healthcare is an emerging **nutraceutical manufacturing-export company** built on the foundation of medical expertise, ethical business, and international quality standards.

Our leadership includes **senior doctors, pharmacists, and industry professionals** with over two decades of experience in product development, quality assurance, and global supply. Through our **strategic manufacturing network and technical supervision**, we ensure that every product reflects the same precision and integrity we stand for.

### **Mission**

To bring safe, effective, and affordable healthcare solutions to global markets through innovation and trust.

### **Vision**

To be a globally recognized name in pharmaceuticals and nutraceuticals — synonymous with reliability, science, and care.

### **Values**

Integrity | Quality | Compliance | Partnership

## **3. Our Capabilities**

### **Manufacturing Excellence**

Our formulations are produced in **state-of-the-art WHO-GMP certified facilities**, equipped with advanced technology for tablets, capsules, syrups, powders, and soft-gel manufacturing. Each batch undergoes rigorous testing to ensure consistency, purity and stability as per global norms.

### **Research & Development**

Sanode's technical team collaborates with formulation scientists and clinicians to create nutraceutical products that meet international expectations.

### **Export Solutions**

- End to end export documentation & regulatory support (COPP, COA, FSC, etc.)
- Country specific packaging & labelling compliance.
- Sea and air logistics coordination for timely delivery.

## 4. Product Portfolio

### Nutraceuticals

- Vitamins and Minerals
- Probiotics and Prebiotics
- Immunity and Wellness
- Joint, Bone & Muscle Health
- Women's & Men's Health
- Herbal & Botanical Extracts

All products manufactured under strict regulatory supervision and tested for international quality compliance.

## 5. Quality and Compliance

Quality is the cornerstone of Sanode Healthcare.

From raw material sourcing to final packaging, every step follows validated processes and global documentation standards.

### Certifications & Systems

- WHO-GMP Compliant Manufacturing Units
- ISO 9001:2015 Quality Systems
- GLP & HACCP Aligned Procedures
- Complete Traceability from Batch to Export

## 6. Global Presence

Sanode Healthcare caters to importers, distributors, and healthcare organizations across:

- **Africa:** Kenya, Nigeria, Ghana, Tanzania, Ethiopia
- **Asia:** Vietnam, Philippines, Nepal, Sri Lanka, Bangladesh
- **Middle East –** UAE, Oman, Iraq, Saudi Arabia
- **CIS Region –** Uzbekistan, Kazakhstan, Kyrgyzstan
- **Latin America –** Bolivia, Peru, Ecuador

(Expanding our network through new partnerships and exclusive distribution collaborations.)

## 7. Partner with Us

Sanode Healthcare welcomes **global distributors, importers, and healthcare companies** seeking a trusted manufacturing-export partner from India.

When you're expanding your nutraceutical portfolio our team ensures regulatory clarity, on-time delivery, and consistent product quality.
